(4) Site for the Deaf and Dumb School.

A site in the Lakshmipur Extension has been selected for this school but as it is a unique institution in Mysore, a more prominent site should, if possible, be made available The site near the Sowar Lines on the Railway Station road which is now reserved for the Sub Assistant Surgeon's quarters seems very suitable for the purpose. If more space is needed some houses in the Sowar lines my may be removed and the land added on Detailed plans and estimates should be submitted to Government at a very early date
